Gladiolus Price List

C. E. SHEELY, Proprietor

PLEASE READ CAREFULLY

TO ALL OUR PATRONS AND FRIENDS:

We take this opportunity to thank you for all your kind letters in regard to our service, extra count, high quality and other things. We sincerely appreciate your kind letters and again thank you.

We wish to thank all those from whom orders were received last season and trust you have had good success with our bulbs. Remember, we stand ready to adjust any matter you feel is our fault—mistakes will occur, although we try not to make them. May we ask for a liberal share of your orders again this season?

NEW CUSTOMERS

In offering this list of Gladiolus Bulbs for your selection, we wish to impress upon you the fact that we grow fine, healthy, true-to-name stock, which is not over-fertilized, it being our purpose to produce firm, healthy, high crowned Bulbs which will enable our customers to grow prize winning blooms.

Everything we sell is fully guaranteed in every respect, and any error or omission will be promptly and liberally adjusted, if reported. You are at liberty to return any shipment if it does not fully meet your expectations, and purchase price, plus return charges, will be promptly refunded.

Safe delivery of all orders is guaranteed. This includes damage by freezing, so you need not hesitate to order in fall or winter. We will not forward shipments by mail unless weather is such that we feel they can go through to destination safely.

TERMS

Terms are cash with order except that, if desired, a deposit of 25% will hold order until March 1st, when it will be sent C.O.D. for any amount remaining unpaid at that time.

Charges will be prepaid on all shipments taken from Prepaid List to points in the United States. All wholesale orders F.O.B. Monroe.

DISCOUNT

On Orders Taken from Retail Lists.

Will allow cash discount of 5% on orders of \$5.00 to \$10.00; 10% on orders of \$10.00 to \$25.00, and will give extras on all orders, so that our customers will all secure additional discount in the way of extra bulbs.

SPECIAL NOTICE

Do not split quantities as listed. Where a variety is listed at 2 for 15 cents do not order 1 or 2 at a lower price. There is no profit in any items of less than ten cents and very little at that price.

In the event that we are out of one size in a variety, we will substitute the next size in sufficient quantity to cover price, unless otherwise instructed. Just note on your order, "Don't Substitute," if you want sizes ordered only. We never substitute on varieties unless permitted to. Our aim is to please our customers.

EARLY ORDERS

Early orders are entirely practical and sensible. They insure your receiving the varieties and sizes you want, and they also secure for you the "pick of the crop," and they help us, by relieving our storage space. Many good Glads will be in great demand and hard to find later in the season, and prices are advancing.

While we like to ship in the fall, we will be glad to hold your order for later shipment if desired.

Please note carefully whether variety is priced "each" or "per 10" or "100."

Five may be ordered at the ten rate. Twenty-five at the 100 rate.

All stock offered and orders accepted subject to prior sale.

No order accepted for less than \$1.00.

PLANTING TIME AT HOBBY GLAD GARDENS

1935 INTRODUCTIONS

Ever since becoming headquarters in the United States for J. W. Crow's originations, we have marveled at what he was able to do with the gladiolus, but only regret that out of thousands of his seedlings only small stocks are available, making it impossible to name and introduce them until such time when we can produce stocks enough. Of the two named and introduced last year and shown for the first time this year at the Michigan state show, we can assure you that they were the talk of the show. In fact they were so well received that before the close of the show over half of this year's crop of bulbs was sold so that only a limited amount remains for your who are the early birds.

Well, folks, we'll let them introduce themselves.

The Dry Weather Twins

We were born in Canada and raised in the United States; we both love hot, dry weather; we don't care to be babied or petted; we would rather put on our own makeup; and we sure do have a peaches and cream complexion. Want to meet us?

I am Bit O'Heaven. I know I am young and unspoiled and may be a bit haughty. I am tall, about 5 feet, 6 inches, but well built, always hold myself erect, and always keep my face or faces (as some say I have 8 or 10 at a time), turned one way. I have a slight hood over my faces but it is not very noticeable. I use a nice bright orange rouge on my face and a light yellow rouge on my throat and it's good, too, because it leaves no streaks or flakes. Sh——, one lady said I have 26 faces inside of ten days and every one of them the same. It takes me about 75 days to put on my full makeup but I sure try to put it on right so you will like me. Would you like to meet me?

I am Streak of Butter, and like my sister, feel I am some glad, only I think I'm a little better because I'm bigger, taller and stronger. I stand almost 6 feet in my stocking feet and just love to grow in hot, dry weather, whether it rains or not. I am just as straight and sturdy as my sister but it takes me a little longer to put on my makeup, about 90 days, because there is more of me. I use a nice soft buff rouge on my cheeks, blending it to a salmon at the edges, and use a very soft pleasing golden rouge on my throat. Some say they can see through me and that I use a salmon pink rouge on the back of my face. I do not have quite as many faces at a time as my sister, but my face is much larger than my sister's and I do not wear a hood. I have just as many faces as I pass in review before you. Would you like to have me come up and see you sometime?

Yours till we see you,

The Dry Weather Twins
